New Website – Now Live!

The brand new Mr James Maths Tuition website is now live and can be viewed by accessing the following link <https://www.mrjamesmathstuition.co.uk> please take a look and let us know what you think. This can be done via Facebook messenger, email: Info@mrjamesmathstuition.co.uk or any of the other contact methods. We would really appreciate your feedback on the new website.

Group Sessions

Mr James Maths Tuition will be offering group primary sessions from September 2019. The emphasis will be to focus on the primary curriculum and to enhance students skills and knowledge. An online form to register interest has been sent out via Mr James Maths Tuition social media platforms. Once there has been enough interest, contact will be made to inform parents/guardians of the location and timings of the sessions and any additional information which is needed for the sessions to take place.

Scientific Calculators

The new style GCSE Scientific Calculators (Casio fx-83GTx) are now available in a range of different colours (Pictured to the left). These will be available to purchase from the online shop of the new Mr James Maths Tuition website once the website is live. In the meantime, if you would like to purchase one of these calculators, email: Info@mrjamesmathstuition.co.uk to place your order, or by using any of the other contact methods which can be found on the Mr James Maths Tuition social media platforms.

Revision Sessions

Now taking bookings for additional or revision sessions during the April half term. Limited spaces available so get in touch for further information about how to book for these sessions. This can be done via email: Info@mrjamesmathstuition.co.uk

Easter Competition

Congratulations to Lina Orentaite who is the winner of the Easter competition this year. Enjoy all of your Easter treats.
