Homework Service

Are you either a primary, secondary or adult learner studying Mathematics? Mr James Maths Tuition have introduced a new homework service which can help! The homework service will allow students to access some additional help and resources to assist with their learning. Please visit <https://www.mrjamesmathstuition.co.uk> for all of the terms and conditions, including the pricing strategy which includes prices for homework bundles with different options.

If you have any questions in regards to this service, please email: Homework@mrjamesmathstuition.co.uk where one of the team will answer your query.

Good Luck

We would like to wish everyone taking their GCSE's this year the very best of luck with their exams. We hope that all of the hard work and dedication has paid off.

Group Sessions

Mr James Maths Tuition will be offering group primary sessions from September 2019. The emphasis will be to focus on the primary curriculum and to enhance students skills and knowledge. An online form to register interest has been sent out via Mr James Maths Tuition social media platforms. Once there has been enough interest, contact will be made to inform parents/guardians of the location and timings of the sessions and any additional information which is needed for the sessions to take place.
