Daily Poll

The daily poll can now be access via the home page of the Mr James Maths Tuition website. You have the choice of 4 answers compared to the two answers which are available on Facebook. In addition to this, you automatically get a response as to whether or not you have got the correct answer, and if your answer is wrong, it will give you the correct one.

Scientific Calculators

The new scientific calculators can be purchased through Mr James Maths Tuition. Please visit the Mr James Maths Tuition Facebook page for further information.
